GENERAL PHYSICS PERMITS

We will begin to accept general permits approximately one week prior to the semester registration period for Spring/Summer/Fall/Winter. Please refer to the NJIT Registrar’s website (www.njit.edu/registrar/calendars/index.php) for specific dates.

There are several types of permits available. To avoid delays, be sure that you choose the correct one for the problem you are experiencing.

FOR A GENERAL PERMIT APPLICATION (CLICK HERE):

Use a general permit application for registration errors due to missing prerequisites, field of study errors, honors cohort errors, major, year or other errors. DO NOT use this general permit for a closed course. Please allow 2-3 business days (not including weekends) for processing of general permits. Please do not contact the Physics Department to inquire about the status of your permit request until 3 business days have passed. You will be notified via e-mail when your permit has been processed. For more information, please see the General Permit FAQ’s below.

General Permit FAQ

TRANSFER STUDENTS WHO HAVE TAKEN A PLACEMENT TEST AT NJIT: If you are a student who has recently transferred to NJIT and you have taken a placement test, you must submit via email to: physop@njit.edu a copy of your placement scores attached in order for us to process a permit. Be sure to include your NJIT ID number in your email.

TRANSFER STUDENTS WHO TOOK A CO-REQUISITE and/or PREREQUISITE AT ANOTHER COLLEGE: If you are a student who has taken a co-requisite and/or prerequisite class at another college, you must submit via email to: physop@njit.edu a copy of your transcript attached in order for us to process a permit. You MAY be directed to see our transfer credit advisor for transcript review. Be sure to include your NJIT ID number in your email.

SUMMER COURSES AT ANOTHER COLLEGE: If you are an NJIT student who is taking a co-requisite and/or pre-requisite class at another college over the summer and require a Physics permit, you must submit the Approval to take a Summer Course at another College form showing the course you are taking. The form must be signed by all departments and sent via e-mail to: physop@njit.edu. Be sure to include your NJIT ID number in your email. A permit will be granted once you meet the co-requisite and/or pre-requisite for the Physics course. It is the student's responsibility to have a transcript sent to the NJIT Registrar, Att. Patrick Fields at the completion of the course.

Students must be registered for the proper co-requisite courses required for each Physics course, NO EXCEPTIONS.

If students do not meet the prerequisites and/or co-requisites for the course at the start of the semester, the student will get dropped from the Physics course.

Course assignments may change at the discretion of the Physics Chairperson.

DO NOT USE A GENERAL PERMIT APPLICATION FOR A CLOSED COURSE PERMIT. Closed course permits will be available through the Physics Department once the Highlander Pipeline waitlist is turned off by the Registrar which will be 2-3 weeks prior to the start of the semester. Please refer to CLOSED COURSE PERMIT APPLICATION.

PREREQUISITES AND CO-REQUISITES ARE STRICTLY ENFORCED BY THE PHYSICS DEPARTMENT

Approval to take a Summer Course at another College. NJIT students who wish to take a summer class at a different college or university must obtain prior written approval from the Physics Department. This form can be found at the following link: http://www.njit.edu/registrar/forms/index.php

Updated: 3/30/16
PHYSICS DEPARTMENT CO-REQUISITIES and PREREQUISITES for PHYS103/111/121/234
